"DOCTOR WHO"

SERIAL 6F

EPISODE 4: 'Mawdryn Undead'

by

Peter Grimwade

1. INT. LABORATORY.

(REPRISE THEN:)

NYSSA: Is that possible?

THE DOCTOR: (INDICATOR) With that equipment, yes.

TEGAN: Come on, Doctor. We're getting out of here.

BRIGADIER 2: Tegan's right. Let's find the Tardis before these people become hostile.

(THE DOCTOR LOOKS AT  
MAWDRYN AND CO. ON  
THE MACHINE. THEY  
ARE GETTING STRONGER)

MAWDRYN: We are scientists not warriors. We have no weapons. The Doctor can help us only of his own free will.

TEGAN: What you want is murder eight times over.

MAWDRYN: The Doctor's loss of regenerative power is a small sacrifice measured against the immensity of our suffering.

THE DOCTOR: You're asking me to sacrifice my power as a Time Lord. And to that, the answer is no.

2. INT. CORRIDOR.

(BRIGADIER ONE IS  
TRYING TO FIND HIS  
WAY BACK TO THE  
TARDIS. HE IS A  
BIT CONFUSED BY THE  
LAYOUT OF THE SHIP  
AND IS ANXIOUS NOT  
TO RUN INTO THE  
MUTANTS AGAIN)

3. INT. TARDIS CONTROL ROOM.

(TURLOUGH IS WAITING.)

THE BLACK GUARDIAN  
APPEARS AGAIN ON  
THE SCREEN. HE  
SPEAKS WITH  
INCREASED URGENCY)

BLACK GUARDIAN: Turlough! Our plans are hazarded. This friend of the Doctor's ...

TURLOUGH: The Brigadier.

BLACK GUARDIAN: He is present on the ship in two aspects.

TURLOUGH: That isn't possible.

BLACK GUARDIAN: It is forbidden. But not impossible. He has travelled through time with the Tardis.

TURLOUGH: But if the two aspects converged ...

BLACK GUARDIAN: The instability could destroy everything. You must find the Brigadier who travelled with the Doctor's companions ...

TURLOUGH: Leave here?

BLACK GUARDIAN: You will obey me. The power of the Blinovitch Limitation Effect is unpredicatable and hazardous to our plans. The two Brigadiers must be kept apart!

TURLOUGH: What about those creatures.

BLACK GUARDIAN: They are harmless. They only threaten the Doctor.

4. INT. LABORATORY.

(AS BEFORE)

MAWDRYN: It is in your power to end our infinite journey.

THE DOCTOR: You cannot ask me to change my whole nature. It was your decision to meddle with the regenerative process.

MAWDRYN: We did not know that our experiments would bring endless mutation.

THE DOCTOR: But you knew it was forbidden.

MAWDRYN: It was a rash presumption of youth. We have paid for that audacity with a thousand years of pain.

THE DOCTOR: You have the regenerator, and the facilities of the laboratory. Continue your experiments. Find how to reverse the process.

MAWDRYN: We have known for many years that the process is irreversible. The machine can only contain, for a short while, our endlessly transfigured bodies. Doctor, share the life force with us, that we may grow old and die!

THE DOCTOR: I cannot do what  
you ask.

MAWDRYN: You cannot refuse.

THE DOCTOR: I must.

5. INT. (TARDIS) CORRIDOR.

(BY THE TARDIS.

TURLOUGH COMES OUT  
OF THE TARDIS, LOOKS  
ROUND, AND MOVES OFF  
INTO THE SHIP)

6. INT. CORRIDOR.

(BRIGADIER ONE VERY  
CAREFULLY MAKES  
HIS WAY BACK TO THE  
TARDIS)

7. INT. CORRIDOR.

(TURLOUGH ON THE  
LOOKOUT FOR  
BRIGADIER ONE.

HE SPOTS SOMEONE  
AT THE END OF  
THE CORRIDOR AND  
DODGES INTO A  
RECESS.

BRIGADIER ONE CAN  
BE SEEN AT THE END  
OF THE CORRIDOR.  
HE SEEMS TO GET HIS  
BEARINGS AND  
ADVANCES QUITE  
QUICKLY.

TURLOUGH WATCHES  
THE APPROACHING  
FIGURE. RECOGNISES  
THE BRIGADIER.  
SMILES MALICIOUSLY.

BRIGADIER ONE COMES  
LEVEL WITH THE  
RECESS.

TURLOUGH STEPS OUT)

TURLOUGH: Hello, Brigadier!

BRIGADIER ONE: Who the devil  
are you!

8. INT. LABORATORY.

(AS BEFORE)

MAWDRYN: So be it, Doctor.  
Leave now with your companions.  
But accept the consequences of  
your actions.

(THE DOCTOR LOOKS AT  
MAWDRYN. HE WAS  
EXPECTING MUCH MORE  
OF A STRUGGLE)

NYSSA: (TO THE DOCTOR)  
There must be something you  
can do to help them.

THE DOCTOR: Nyssa. Don't  
interfere.

NYSSA: But, Doctor ...

THE DOCTOR: I cannot will my  
own destruction!

(THE SEVEN MUTANTS  
ARE NOW RECOVERED  
AND START TO DETACH  
THEMSELVES FROM THE  
TERMINAL POINTS)

MAWDRYN: Go quickly, Doctor.

(A MURMUR OF PROTEST  
EMMANATES FROM THE  
MUTANTS)

BRIGADIER 2: That sounds like good advice, Doctor. Let's find the Tardis.

(BRIGADIER TWO LEADS  
THE DOCTOR TO THE  
DOOR.

THE MUTANTS ARE  
MOANING LOUDLY)

FIRST MUTANT: We have experimented for centuries ...

SECOND MUTANT: We have tried to discover a remedy.

FIRST MUTANT: There is no remission.

SECOND MUTANT: Only the power in you, Time Lord.

FIRST MUTANT: Only you can help us, Doctor.

(THE SUPPLICANT MOAN  
RISES.

NYSSA LINGERS)

TEGAN: Come on, Nyssa.  
There's nothing any of us can do!

BRIGADIER 2: To the Tardis.  
The lot of you.

(HE SHEPHERDS THE  
DOCTOR, TEGAN AND  
NYSSA OUT OF THE  
LABORATORY)

9. INT. JUNCTION.

(THE DOCTOR, BRIGADIER  
TWO, TEGAN AND NYSSA  
COME FROM THE SIDE  
PASSAGE AND GO OFF  
DOWN THE CORRIDOR)

TEGAN: (TO BRIGADIER TWO) I'm  
Tegan by the way. We have met,  
but it was rather a long time  
ago.

BRIGADIER 2: Miss Jovanka,  
could I ever forget.

NYSSA: (TO THE DOCTOR) What  
are we going to do about the  
other Brigadier!

THE DOCTOR: I don't know.

10. INT. CORRIDOR.

(BRIGADIER ONE WITH  
TURLOUGH)

BRIGADIER 1: So you're  
Turlough. I've heard about  
you from Tegan.

TURLOUGH: I've come to take  
you to the Doctor.

BRIGADIER 1: The Doctor? You  
know where he is?

TURLOUGH: Of course. Come  
on.

(HE LEADS THE WAY  
DOWN THE CORRIDOR)

BRIGADIER 1: Not so fast,  
Turlough. And keep in the  
shadows. We've some  
disagreeable fellow passengers.

TURLOUGH: (MOCKING) They're  
harmless.

BRIGADIER 1: That remains to  
be seen.

11. INT. LABORATORY.

(MAWDRYN AND THE  
SEVEN MUTANTS)

FIRST MUTANT: The Doctor is  
our only hope.

SECOND MUTANT: He must not  
be allowed to escape.

MAWDRYN: My friends, do not  
despair. The Doctor will  
return, and of his own free  
will.

(GENERAL MUTTERING)

And now. There is work to  
be done. Prepare our ship  
for the ending.

12. INT. CORRIDOR.

(CLOSE TO THE TARDIS.

THE DOCTOR COMES  
ROUND THE CORNER WITH  
NYSSA, TEGAN AND  
BRIGADIER TWO.

THE DOCTOR IS VERY  
ANXIOUS TO LEAVE)

THE DOCTOR: Look, let's just  
get clear of this ship ...

TEGAN: But what about  
Turlough?

THE DOCTOR: Turlough will have  
found the Tardis by now.

NYSSA: And the other  
Brigadier?

THE DOCTOR: I can only deal  
with one Brigadier at a time ...

BRIGADIER 2: (OVERHEARING)  
What's that, Doctor?

THE DOCTOR: Brigadier.  
Thanks to your imperfect  
memory, there is a  
Lethbridge-Stewart, some  
six years your junior, at  
loose in this ship.

BRIGADIER 2: Good heavens!  
You mean I did go with Nyssa  
and Tegan in the Tardis in  
1977?

TEGAN: And were we glad of  
the company!

THE DOCTOR: I should never  
have allowed you in the  
transmat capsule!

BRIGADIER 2: I say, Doctor.  
Steady on.

13. INT. GALLERY CORRIDOR.

(BRIGADIER ONE AND  
TURLOUGH APPROACH)

BRIGADIER 1: What does this  
Doctor look like?

TURLOUGH: Older than me.  
Younger than you ...

BRIGADIER 1: I mean is he ...  
normal?

TURLOUGH: Of course.

BRIGADIER 1: Then that  
deformed creature in the  
Tardis was an imposter!

TURLOUGH: Exactly.

(THEY HAVE REACHED  
THE ALCOVE WITH  
THE PORTRAITS.  
THE CENTRE PORTRAIT  
IS STILL SWUNG BACK,  
REVEALING THE INNER  
ROOM.)

TURLOUGH STOPS BY  
THE ENTRANCE)

Doctor? The Brigadier's here.

(THE BRIGADIER LOOKS  
OVER TURLOUGH'S  
SHOULDER)

14. INT. INNER ROOM.

(BRIGADIER ONE  
PEERS IN)

BRIGADIER 1: Doctor?

(HE STEPS INTO THE  
ROOM)

15. INT. GALLERY CORRIDOR.

(BY THE PICTURES.

AS SOON AS THE  
BRIGADIER IS ACROSS  
THE THRESHOLD  
TURLOUGH GRABS THE  
CENTRE PANEL AND  
SLIDES IT BACK INTO  
PLACE)

16. INT. INNER ROOM.

BRIGADIER 1: Turlough?

(THE ENTRANCE CLOSES)

Turlough!

(THE BRIGADIER IS  
TRAPPED)

17. INT. CORRIDOR.

(TURLOUGH RUNNING  
THROUGH THE SHIP)

18. INT. TARDIS CONTROL ROOM.

(THE DOCTOR COMES IN  
WITH BRIGADIER TWO,  
TEGAN AND NYSSA)

TEGAN: No sign of Turlough.

BRIGADIER 2: Never trusted  
that boy.

NYSSA: Maybe he's exploring  
the Tardis.

THE DOCTOR: I hope so because  
we've got to get the Tardis  
away from here.

NYSSA: And separate the two  
Brigadiers.

BRIGADIER 2: Now hang on a  
moment. I've been thinking  
about that ...

THE DOCTOR: Brigadier, there  
isn't time to think!

BRIGADIER 2: We're talking  
about six years of my life.

THE DOCTOR: You were perfectly  
all right in 1983. Obviously  
your 1977 persona came to no  
harm.

BRIGADIER 2: Maybe not. But I  
don't want to have spent a year  
or two in limbo on this ship!

19. INT. (TARDIS) CORRIDOR.

(TURLOUGH RUNNING  
TOWARDS THE TARDIS)

20. INT. TARDIS CONTROL ROOM.

(AS BEFORE)

NYSSA: Look!

(SHE POINTS TO  
THE SCREEN.)

IT SHOWS TURLOUGH  
RUNNING)

THE DOCTOR: I've got an idea.  
Stay here, all of you.

(HE GOES OUT THROUGH  
THE DOORS)

21. INT. (TARDIS) CORRIDOR.

(TURLOUGH RUNS UP  
TO THE TARDIS.)

THE DOCTOR MEETS  
HIM IN THE DOORWAY)

TURLOUGH: Doctor!

THE DOCTOR: Turlough. Listen  
very carefully. We've got a  
problem with the Brigadier.

TURLOUGH: What is it?

THE DOCTOR: The two time zones.  
The Brigadier did go with Tegan  
and Nyssa. There are now two  
Lethbridge-Stewarts in this ship.

TURLOUGH: I understand.

THE DOCTOR: I shall take the  
Brigadier in the Tardis back to  
1983 Earth.

TURLOUGH: And me?

THE DOCTOR: You must find the  
other Brigadier and take him to  
the transmat capsule. You'll  
be quite safe. The mutants won't  
harm you.

TURLOUGH: But the transmat beam  
doesn't work.

THE DOCTOR: It will. The transmat capsule is locked into the Tardis' homing device. When you operate, the capsule, it will transmat to the centre of the Tardis. I wired in the device myself.

TURLOUGH: Of course.

THE DOCTOR: When you arrive at the Tardis, whatever you do, stay in the capsule. Don't let the Brigadier out until I tell you it's safe.

22. INT. INNER ROOM.

(BRIGADIER ONE IS  
LOOKING ROUND HIS  
PRISON.

IT ALL LOOKS VERY  
SOLID. HE RETURNS  
TO THE ENTRANCE AND  
EXAMINES THE  
MECHANISM FOR A  
MOMENT.

HE FEELS IN HIS  
POCKETS. TAKES OUT  
A KEY RING. ON THE  
RING IS A SMALL  
PENKNIFE. HE OPENS  
ONE OF THE BLADES)

23. INT. CORRIDOR.

(TURLOUGH MOVING SLOWLY.  
HE IS NOT SURE WHAT TO  
DO NEXT.

HE HEARS SOMEONE COMING  
AND DODGES INTO THE  
SHADOWS.

HE WATCHES MAWDRYN AND  
THE SEVEN MUTANTS PASS.  
THEY HAVE CHANGED INTO  
THEIR FINEST ROBES.  
THERE IS SOMETHING  
CEREMONIAL ABOUT THEIR  
PROGRESS)

24. INT. TARDIS CONTROL ROOM.

(THE DOCTOR IS WATCHED  
BY BRIGADIER TWO,  
TEGAN AND NYSSA.)

THERE IS A SOMBRE  
ATMOSPHERE.

NYSSA LOOKS AT THE  
DOCTOR.

THE DOCTOR LOOKS AWAY)

NYSSA: Will the Mutants really  
travel for the rest of time?

THE DOCTOR: I'm afraid so.

NYSSA: That's terrible.

THE DOCTOR: Sometimes you  
have to live with the  
consequences of your actions.

THE DOCTOR:  
Now let's get away from here...

(HE ACTIVATES THE TARDIS.  
THE COLUMN STARTS TO MOVE)

25. INT. TARDIS CORRIDOR. DAY.

(THE TARDIS DEMATERIALISES)

26. INT. INNER ROOM. DAY.

(THE BRIGADIER IS  
WORKING ON THE  
DOOR MECHANISM  
WITH THE PENKNIFE.

IT WON'T BUDGE.

HE LOOKS ROUND THE  
ROOM. SOMETHING  
CATCHES HIS EYE.  
IT IS THE SAME  
ENTABLATURE AS  
WAS IN THE  
LABORATORY PASSAGE.

HE RUNS HIS HAND  
OVER IT. AFTER A  
MOMENT THERE IS A  
CLICK)

27. INT. GALLERY CORRIDOR.

(THE CENTRAL PICTURE  
SLIDES BACK.

THE BRIGADIER ONE  
COMES THROUGH THE  
OPENING AND HURRIES  
THROUGH THE GALLERY  
IN THE DIRECTION  
OF THE TARDIS)

28. INT. (TARDIS) CORRIDOR.

(MAWDRYN AND THE  
OTHER SEVEN  
MUTANTS TAKE UP  
POSITION AROUND  
WHERE THE TARDIS  
WAS)

FIRST MUTANT: The Time Lord has  
left us.

SECOND MUTANT: Can we be certain  
he will return?

MAWDRYN: He will return!

29. INT. TARDIS CONTROL ROOM.

(THE DOCTOR CHECKS  
OUT THE CONSOLE)

THE DOCTOR: It takes a very  
cunning setting of the coordi-  
nates to clear a warp ellipse.

TEGAN: (UNEASY) Doctor ...

THE DOCTOR: You know, I'm  
getting remarkably good at ...

NYSSA: Doctor! Something's  
happening ...

(THE DOCTOR STILL  
CHECKING THE  
CONSOLE)

THE DOCTOR: Not at all. We're  
on course for the Brigadier's school  
...

BRIGADIER TWO: Doctor!

(TEGAN AND NYSSA  
CRY OUT IN PAIN.

THE DOCTOR TURNS  
TO THEM. HE IS  
SHOCKED AT WHAT  
HE SEES.

THEY ARE DEGENERATING.  
A GROTESQUE AGEING  
PROCESS. THE FLESH  
WRINKLED AND DECAYED  
LIKE ROTTING FRUIT.

TEGAN AND NYSSA  
TEAR AT THEMSELVES,  
AND CALL OUT IN  
AN AGONY OF DISTRESS.

THE DOCTOR JUST  
STARES AT THEM,  
APPALLED BEYOND  
BELIEF.

HE IS HELPLESS)

NYSSA: Doctor ... do something!

BRIGADIER TWO: What's happening?

THE DOCTOR: Tegan ... Nyssa ...

BRIGADIER TWO: It's like Mawdryn in  
the lab.

THE DOCTOR: Mawdryn? That's it! ..  
They've been contaminated.

TEGAN: Do something ... please ...  
Doctor!

THE DOCTOR: (DESPERATELY THINKING)  
The transfiguration can be controlled  
...

(NYSSA AND TEGAN  
ARE ON THEIR KNEES)

NYSSA: Stop ...!

DOCTOR: Stop! Of course! (cont .

(HE RUNS TO THE  
CONSOLE AND  
URGENTLY PRESSES  
SWITCHES.

LIGHTS FLASH)

THE DOCTOR: (cont) Travelling  
through time has accelerated  
the degeneration.

BRIGADIER TWO: You've stopped the  
Tardis?

THE DOCTOR: More than that.  
We're going back where we started.  
I just hope it induces a proportiona  
remission.

30. INT. TARDIS CORRIDOR.

(MAWDRYN AND HIS  
COMPANIONS WAIT  
PATIENTLY)

31. INT. TARDIS CONTROL ROOM.

(THEY ARE TRAVELLING.

BRIGADIER TWO AND  
THE DOCTOR WATCH  
TEGAN AND NYSSA.

SLOWLY THE GIRLS  
RECOVER. THE REVERSE  
OF THE PREVIOUS PROCESS)

BRIGADIER TWO:     It's working.

32. INT. (TARDIS) CORRIDOR.

(THE TARDIS  
MATERIALISES  
IN THE CORRIDOR)

33. INT. TARDIS CONTROL ROOM.

(TEGAN AND NYSSA,  
NOW NORMAL, ARE LYING  
ON THE FLOOR)

THE DOCTOR: Are you two all  
right!

NYSSA: I think so ...

TEGAN: Doctor ... what went  
wrong?

(THE BRIGADIER TWO  
IS LOOKING AT THE  
OPEN SCREEN WHICH  
SHOWS MAWDRYN AND  
CO. WAITING OUTSIDE)

BRIGADIER TWO: Look at them all  
out there. I bet they knew this was  
going to happen.

THE DOCTOR: (BITTERLY) That's  
why they let us go so easily.

34. INT. (TARDIS) CORRIDOR.

(THE MUTANTS WAIT  
OUTSIDE THE TARDIS)

FIRST MUTANT: The Time Lord  
has returned as you predicted.

MAWDRYN: The Doctor is not  
with us yet. He will not give  
up so easily.

35. INT. TARDIS CONTROL ROOM.

(TEGAN AND NYSSA  
ARE THEMSELVES  
AGAIN)

THE DOCTOR: You were infected when you carried Mawdryn into the Tardis. The journey to his ship would have made it worse.

TEGAN: Infected? Their mutation is a disease?

THE DOCTOR: It shouldn't be. I can only assume their constant experimenting to correct their error has brought a viril side affect.

BRIGADIER TWO: Why haven't I got it?

THE DOCTOR: I don't know

NYSSA: So we can't travel through time.

TEGAN: We don't need to travel through time. Let's just get back to Earth.

THE DOCTOR: That won't work. I have to programme a temporal deviation to escape the warp ellipse.

BRIGADIER TWO: Are we stuck on this ship?

THE DOCTOR: I wonder ... If I  
reversed the trajectory ...

(HE GOES TO  
WORK ON THE  
CO-ORDINATES)

36. INT. CORRIDOR.

(BRIGADIER ONE  
LOOKING FOR THE  
TARDIS.

HE PAUSES.

HIS P.O.V. THE  
TARDIS IN THE  
DISTANCE.

FROM HIS APPROACH  
HE CAN'T SEE  
MAWDRYN AND CO.)

37. INT. (TARDIS) CORRIDOR.

(BY THE TARDIS,  
THE BRIGADIER ONE  
RUNS TOWARDS IT.

JUST AS HE REACHES  
IT, IT DEMATERIALISES.

BRIGADIER ONE IS  
DISMAYED, THEN  
HORRIFIED AS HE  
TURNS AND SEES  
HIMSELF SURROUNDED  
BY MUTANTS.

THEY ARE SURPRISED  
TO SEE HIM.

BRIGADIER ONE SPOTS  
MAWDRYN)

BRIGADIER ONE: It's you.

MAWDRYN: I am Mawdryn.

BRIGADIER ONE: You've stopped  
pretending to be the Doctor.

MAWDRYN: The Doctor is in  
the Tardis.

BRIGADIER ONE: What!

FIRST MUTANT: This man, also, is  
in the Tardis.

MAWDRYN: Brigadier! Of course  
...

SECOND MUTANT: This man is a  
deviant!

FIRST MUTANT: There has been  
temporal duplication.

MAWDRYN: (TO THE MUTANTS)  
The Tardis will soon return.  
The inbalance could be  
cataclysmic. (TO BRIGADIER ONE)  
For your own safety you must  
return to Earth at once.

BRIGADIER ONE: Without the  
Tardis?

MAWDRYN: Quickly ...

(HE HURRIES HIM  
AWAY)

38. INT. TARDIS CONTROL ROOM.

(TRAVELLING.

THE DOCTOR AND  
BRIGADIER TWO  
ANXIOUSLY WATCH  
TEGAN AND NYSSA)

BRIGADIER TWO: So far so good.

(TEGAN AND NYSSA  
START TO WIMPER)

THE DOCTOR: Oh, no!

(THEIR VOICES ARE  
RISING IN PITCH)

BRIGADIER TWO: But nothing's  
happening.

THE DOCTOR: Oh yes it is.

NYSSA: It's no good, Doctor ...

THE DOCTOR: We're travelling  
in the opposite direction out  
of the ellipse. It's having  
a reverse effect.

(THEY ARE GETTING  
YOUNGER.

A PARODY EFFECT.  
LOSING ALL FEATURES)

TEGAN: Stop ... stop!

(THE DOCTOR RUSHES  
BACK TO THE CONTROLS)

39. INT. SHIP'S CONTROL CENTRE.

(MAWDRYN RUSHES  
IN WITH BRIGADIER  
ONE)

MAWDRYN: You will return  
immediately to Earth in the  
transmat capsule.

(HE TAKES HIM TO  
THE TERMINAL)

BRIGADIER ONE: How the deuce  
do you expect me ...

MAWDRYN: Quickly!

(HE PUSHES HIM  
INTO THE CAPSULE)

40. INT. TRANSMAT CAPSULE.

(THE BRIGADIER ONE  
INSIDE.)

MAWDRYN LEANS IN  
AND PRESSES SOME  
BUTTONS)

BRIGADIER ONE: If you think I'm  
trusting myself to this bauble ...

MAWDRYN: The capsule is programmed  
for Earth.

(INDICATES A  
BUTTON)

Activate immediately.

(MAWDRYN CLOSES  
THE DOOR)

41. INT. CONTROL CENTRE.

(THE CAPSULE  
DEMATERIALISES.

MAWDRYN EXITS)

42. INT. TARDIS CORRIDOR.

(THE TARDIS  
MATERIALISES)

43. INT. TARDIS CONTROL ROOM.

(A NOISE FROM  
THE CONSOLE)

THE DOCTOR: Someone's trying to  
operate the transmat capsule ...

(HE GOES TO  
THE CONSOLE)

It must be Turlough taking your  
other half to the centre of the  
Tardis, Brigadier.

BRIGADIER TWO: Can the capsule  
do that?

THE DOCTOR: Only when the Tardis  
is clear of the ship. Until that  
happens the transmat can't take  
place. The capsule will return  
to its terminal.

44. INT. CONTROL CENTRE.

(THE CAPSULE RETURNS)

45. INT. TRANSMAT CAPSULE.

(BRIGADIER ONE IS  
LOOKING AT THE HOMING  
DEVICE WHICH IS MAKING  
EXACTLY THE SAME  
NOISE AS WHEN TEGAN  
WAS NEAR THE TARDIS  
ON THE HILL IN 1977.

THE BRIGADIER LOOKS  
AT IT FOR A MOMENT  
THEN STARTS TO  
DISCONNECT THE DEVICE)

46. INT. TARDIS CONTROL ROOM. DAY.

(TEGAN AND NYSSA  
ARE RECOVERING  
FROM THEIR SECOND  
ORDEAL)

THE DOCTOR: It's no good. I  
can't get clear of the ship  
without hurting Tegan and Nyssa.

NYSSA: What are we going to  
do?

(THE DOCTOR SAYS  
NOTHING)

47. INT. GALLERY CORRIDOR. DAY.

(TURLOUGH APPROACHES  
THE ALCOVE.

HE SEES THE PICTURE  
SWUNG BACK.

HE HURRIES FORWARD  
AND INTO THE INNER  
ROOM)

48. INT. INNER ROOM. DAY.

(TURLOUGH COMES IN  
AND LOOKS ROUND.

NO SIGN OF BRIGADIER  
ONE.

TURLOUGH WORRIED BY  
THIS.

HE TAKES OUT THE  
CUBE WHICH IS ALREADY  
ACTIVATED.

SOON THE ROOM GLOWS  
WITH ENERGY.

THE VOICE OF THE  
BLACK GUARDIAN  
REVERBERATES)

BLACK GUARDIAN: (OOV) You have  
failed me.

TURLOUGH: No!

BLACK GUARDIAN: (OOV) The  
Brigadier is still free.

TURLOUGH: That's not my fault.

BLACK GUARDIAN: (OOV) Why did  
you not transport him in the  
capsule as the Doctor instructed.

TURLOUGH: The Doctor? But I'm  
supposed to be working against  
him.

BLACK GUARDIAN: (OOV) Imbecile!  
Why should you not profit by the  
Time Lord's cunning.

TURLOUGH: I'm sorry.

BLACK GUARDIAN: (OOV) So near the annihilation of the Doctor and you risk all with your negligence and stupidity.

TURLOUGH: I can still keep the two Lethbridge-Stewarts apart.

BLACK GUARDIAN: (OOV) If you fail me again I shall destroy you.

49. INT. TARDIS CONTROL ROOM. DAY.

(AS BEFORE)

TEGAN: We can't stay in the  
Tardis for ever.

BRIGADIER TWO: Well, Doctor?

(THEY ALL LOOK  
AT THE DOCTOR.

WITHOUT SAYING  
A WORD HE OPENS  
THE DOORS AND WALKS  
OUT)

50. INT. (TARDIS) CORRIDOR. DAY.

(BY THE TARDIS.

MAWDRYN AND CO  
GATHERED ROUND.

THE DOCTOR COMES  
FROM THE TARDIS.

HE STANDS IN FRONT  
OF MAWDRYN BUT  
SAYS NOTHING.

TEGAN, NYSSA AND  
BRIGADIER TWO COME  
FROM THE TARDIS.

NYSSA GOES TO MAWDRYN)

NYSSA: You knew that would  
happen.

MAWDRYN: Yes, Nyssa.

NYSSA: You infected us. You  
passed on the mutative pattern.

MAWDRYN: That is true. But  
there was no conspiracy to harm  
you. It was your own concern  
that made you shelter that  
wretched creature in the Tardis.

NYSSA: We thought you were the  
Doctor.

MAWDRYN: Such was my good fortune,  
or I would have remained in that  
miserable state on Earth.

TEGAN: What happens to us now?

MAWDRYN: All that you require you will find on my ship. And there are many pleasing diversions that perhaps escaped your attention.

TEGAN: I've seen all I want of your ship. We just want to get home.

MAWDRYN: The Brigadier and Doctor may leave at any time, but you and Nyssa would never survive the journey. So we shall enjoy the pleasure of your society here for all the years that are left to you.

TEGAN: The rest of our lives?

MAWDRYN: You are fortunate. Your journey will be short. Ours is without end.

(TEGAN AND NYSSA LOOK  
AT EACH OTHER, THEN  
BACK AT THE DOCTOR.)

THE DOCTOR AVOIDS  
THEIR GAZE AND  
REMAINS SILENT.

BRIGADIER TWO HAS  
BEEN LISTENING  
VERY CAREFULLY TO  
ALL THAT HAS BEEN SAID)

BRIGADIER TWO: Listen to me, Mawdryn. There is no way we are leaving them on this ship.

MAWDRYN: Take them with you in the Tardis and they will die.

BRIGADIER TWO: Look, you people are supposed to be scientists.  
(cont ...)

BRIGADIER TWO: (cont) Are you telling me that with all those facilities you can't come up with some sort of antidote?

MAWDRYN: We have no restorative for Tegan and Nyssa.

BRIGADIER TWO: (TURNING TO THE DOCTOR) You've been very quiet, Doctor. You must have some ideas ...

(THE DOCTOR WON'T  
LOOK AT HIM.)

THE BRIGADIER TURNS  
BACK TO MAWDRYN)

When we were in the lab you said the Doctor could help you through that machinery?

MAWDRYN: Yes. But only of his own free will.

BRIGADIER TWO: Then he can do the same for Tegan and Nyssa?

MAWDRYN: That is a question you must ask the Doctor.

BRIGADIER TWO: Well, Doctor?

(STILL THE DOCTOR  
SAYS NOTHING)

TEGAN: (DESPERATE) Doctor?

BRIGADIER TWO: Well, Doctor?

(STILL THE DOCTOR  
SAYS NOTHING)

TEGAN: (TURNING TO THE MUTANTS)  
Can he help us?

FIRST MUTANT: As the life force  
flows, you will share in its  
healing power.

TEGAN: We'll be cured?

SECOND MUTANT: Yes.

(TEGAN TURNS BACK  
TO THE DOCTOR)

TEGAN: (DESPERATE) Doctor!

NYSSA: No, Tegan!

TEGAN: The Doctor can save us.  
They just said so! Well, Doctor.

(EVERYONE LOOKS AT  
THE DOCTOR.

FINALLY HE SPEAKS)

THE DOCTOR: (TO MAWDRYN) Take  
me to your laboratory.

51. INT. CAPSULE. DAY.

(THE BRIGADIER FINISHES  
HIS UNWIRING.

HE DETATCHES THE  
HOMING DEVICE.

HE IS RELIEVED TO  
NOTE THAT IT IS  
STILL BLEEPING.

HE STARTS TO GET  
OUT)

52. INT. CONTROL CENTRE. DAY.

(BRIGADIER ONE GETS  
OUT OF THE CAPSULE.

HE MOVES TO THE  
CORRIDOR)

53. INT. CORRIDOR.

(TURLOUGH LOOKING  
FOR THE BRIGADIERS.

HE SEES SOMETHING  
AT THE END OF  
THE CORRIDOR. A  
GLIMPSE OF BRIGADIER  
TWO)

TURLOUGH: Brigadier!

(BUT THEN HE SEES  
THAT BRIGADIER TWO  
IS WALKING WITH  
MAWDRYN.

HE HIDES IN A  
RECESS AND  
WATCHES BRIGADIER  
TWO AND MAWDRYN  
PASS WITH THE  
DOCTOR, TEGAN, NYSSA  
AND THE SEVEN  
MUTANTS.

BRIGADIER TWO  
AND MAWDRYN AT  
THE HEAD OF THE  
PROCESSION)

MAWDRYN: The Doctor is a Time Lord.  
But he chose to involve himself.  
Soon he will be a Time Lord  
no longer. That is his reward  
for compassion.

(THE PROCESSION  
PASSES.

THE DOCTOR PROCEDES  
LIKE A CONDEMNED  
MAN, DETERMINED TO  
DIE WITH DIGNITY)

54. INT. TARDIS CONTROL ROOM.

(BRIGADIER ONE  
COMES IN)

BRIGADIER 1: Doctor!

(NOONE THERE.

HE HAS A QUICK  
LOOK ROUND, PUTS  
THE HOMING DEVICE  
IN HIS POCKET,  
AND GOES OUT)

55. INT. LABORATORY.

(ONE OF THE MUTANTS  
IS WIRING UP  
THE DOCTOR, TEGAN  
AND NYSSA.

THE OTHER SIX  
ARE ALREADY  
CONNECTED.

MAWDRYN IS EXPLAINING  
THE CONTROL CONSOLE  
TO BRIGADIER TWO)

MAWDRYN: You will activate the  
energy transfer, Brigadier. It  
will take several moments for  
the charge in the machine to  
build up. (POINTS TO A DIAL)  
You can read off the countdown  
to the moment of exchange.

(TEGAN AND NYSSA  
LOOK VERY ANXIOUS)

SECOND MUTANT: Do not be afraid.  
When the moment comes we will  
all share in the life force of  
the Doctor.

FIRST MUTANT: Our mutation will end

FIRST MUTANT..: You will no longer  
be contaminated.

NYSSA: And the Doctor won't be  
a Time Lord any more.

(THEY LOOK TOWARDS  
THE DOCTOR FOR SOME KIND  
OF REASSURANCE. BUT  
HE REMAINS IMPASSIVE)

56. INT. CORRIDOR.

(TURLOUGH LOOKING  
FOR BRIGADIER ONE  
HE IS GETTING  
FRANTIC)

TURLOUGH: Brigadier! Brigadier!

57. INT. LABORATORY.

(MAWDRYN ATTACHES  
HIMSELF TO THE  
APPARATUS.

ONLY BRIGADIER TWO  
IS NOT CONNECTED)

MAWDRYN: My brothers in exile.  
We approach the ending!

MAWDRYN: Activate, Brigadier ...  
Now!

(THE BRIGADIER  
TURNS THE CONTROLS.

THERE IS A LOW WHINE)

58. INT. CORRIDOR.

(NEAR THE JUNCTION.

BRIGADIER ONE  
APPROACHING.

HE CAN HEAR THE  
NOISE FROM  
THE LAB AND MAKES  
HIS WAY TOWARDS  
THE SOURCE OF  
THE STRANGE SOUND)

59. INT. CORRIDOR.

(TURLOUGH EVEN MORE  
DESPERATE.

HE IS POSESSED BY  
THE WILL OF  
THE BLACK GUARDIAN)

BLACK GUARDIAN: (O.O.V) So near  
the supreme moment! The  
Brigadiers must not converge!  
Find him! Find the Brigadier  
at once!

60. INT. LABORATORY.

(THE SOUND IS  
LOUDER AND  
HIGHER PITCHED.)

THE BRIGADIER  
TWO'S HAND ON  
THE CONTROLS.

HE WATCHES THE  
INSTRUMENTS)

BRIGADIER 2: Ten seconds ...  
nine ... eight.

61. INT. JUNCTION

(BRIGADIER ONE REACHES  
THE JUNCTION AND  
REALISES THE  
SOUND IS COMING  
FROM THE PASSAGE.  
HE GOES TOWARDS  
THE LAB.

TURLOUGH APPEARS  
AT THE END OF THE  
CORRIDOR AND SPOTS  
THE BRIGADIER ONE)

TURLOUGH: Brigadier!

(BUT HE IS TOO  
LATE.

TURLOUGH RUNS  
TOWARDS THE  
JUNCTION)

BLACK GUARDIAN: (O.O.V) Stop him,  
or I shall destroy you all!

62. INT. LABORATORY.

(AS BEFORE)

BRIGADIER 2: Five seconds ...  
four ...

63. INT. JUNCTION.

(IN THE SIDE PASSAGE.

BRIGADIER MAKES HIS  
WAY CAREFULLY  
TO THE LAB ENTRANCE)

BRIGADIER 2: (.O.O.V.) Three ...

(TURLOUGH ALMOST  
REACHES THE  
BRIGADIER ONE)

Two ...

TURLOUGH: Brigadier! ... Come  
back!

(BUT BRIGADIER ONE  
HAS ALREADY SEEN  
INTO THE LABORATORY.

HE PUSHES TURLOUGH  
ASIDE AND GOES  
THROUGH THE DOOR)

64. INT. LABORATORY.

(BRIGADIER ONE  
COMES IN.

BRIGADIER TWO, AT  
THE CONSOLE, HAS  
HIS BACK TO  
BRIGADIER ONE, SO  
THAT ALL BRIGADIER  
ONE CAN SEE IS  
THE DOCTOR, TEGAN  
AND NYSSA CONNECTED  
TO THE MEANACING  
APPARATUS, WITH  
THE SILLOUETTE OF  
BRIGADIER TWO  
OPERATING THE  
EQUIPMENT.

BRIGADIER ONE  
DOESN'T RECOGNISE  
HIS OTHER SELF)

BRIGADIER 1: Tegan!  
Nyssa! What the devil ...

THE DOCTOR: Brigadier! Get  
out of here! No ...!

BRIGADIER 1: What do you think  
you're doing.

(BRIGADIER ONE MOVES  
TOWARDS BRIGADIER TWO.

BRIGADIER TWO  
TURNS AND SEES  
BRIGADIER ONE.

THERE IS AN EXPLOSION  
AND A WHITE OUT)

65. INT. CORRIDOR.

(TURLOUGH RUNNING  
FOR HIS LIFE.

HE STOPS AND NERVES  
HIMSELF TO TAKE  
OUT THE CUBE.

IT IS CRACKED.  
TURLOUGH IS  
IMMENSELY RELIEVED.

HE MOVES OFF  
PURPOSEFULLY)

66. INT. LABORATORY.

(THE DOCTOR HAS  
ALREADY FREED  
HIMSELF.

HE IS DISCONNECTING  
TEGAN AND NYSSA.

THEY ARE BOTH  
SHOCKED)

THE DOCTOR: You all right?

NYSSA: I think so.

TEGAN: What happened?

THE DOCTOR: An immense discharge  
of energy as the two brigadiers  
came together, exactly  
synchronising with the moment  
of transfer.

TEGAN: Is the Brigadier dead?

THE DOCTOR: I don't think so.

(THE DOCTOR GOES  
TO THE CONSOLE.

BRIGADIER ONE LIES  
ON THE FLOOR  
UNCONSCIOUS. A HAZE  
SURROUNDS HIM)

NYSSA: Doctor!

(NYSSA HAS SPOTTED  
BRIGADIER TWO IN  
THE FAR CORNER OF  
THE LAB WHERE THE  
FORCE OF THE EXPLOSION  
HAS THROWN HIM.

THE DOCTOR GOES  
OVER AND KNEELS  
BESIDE HIM.

BRIGADIER TWO  
STARTS TO MOVE  
AND GROAN)

THE DOCTOR: It's all right,  
old friend ...

BRIGADIER TWO: (MUTTERING  
DELIRIOUSLY) Sorry, Headmaster ...  
touch of vertigo ... won't  
happen again ...

(OPENS HIS EYES  
AND SEES THE DOCTOR)

What the devil's been going on?

THE DOCTOR: Quickly! Nyssa!  
Take the Brigadier into the Tardis.  
Right into the centre, and keep him  
there till I give the all clear.

(TO BRIGADIER TWO)

Don't worry, you'll be quite  
safe in the Tardis.

(TOGETHER WITH  
NYSSA HE HELPS  
THE STUNNED BRIGADIER  
TWO THIS FEET AND  
INTO THE CORRIDOR.

THE DOCTOR RETURNS  
TO TEGAN WHO STANDS  
OVER THE UNCONSCIOUS  
BRIGADIER ONE.  
(THE CLOUD HAS NOW GONE)

TEGAN: He must be all right  
because he belongs in 1977 ...

(THE DOCTOR IS  
LOOKING AT THE  
CONTROL PANEL)

THE DOCTOR: Amazing. The  
Brigadier's timing. A milli-  
second either way and ...

TEGAN: What?

THE DOCTOR: At the moment of  
exchange, the power didn't  
come from me.

TEGAN: The Brigadier?

THE DOCTOR: From the Tardis,  
really. Through the energy  
released by the Blinovitch  
Limitation Effect.

TEGAN: Nyssa and I can time  
travel again?

THE DOCTOR: You're as good as new.

TEGAN: Are you still a Time Lord?

THE DOCTOR: I can still regenerate.

TEGAN: Look at Mawdryn!

(THE DOCTOR GOES  
OVER TO MAWDRYN.

HE LIES PEACEFULLY.

THE HARDNESS AND  
DISTORTION  
HAVE GONE FROM  
HIS FACE.

HE IS STILL  
JUST LIVING.

THE DOCTOR LEANS  
OVER HIM)

MAWDRYN: (JUST ABLE TO WHISPER)  
It is finished, Doctor. (A  
SMILE OF UTTER BLISS) Can this  
be ... death!

(THE LIFE DRAINS  
OUT OF HIM)

TEGAN: They're all dead.

THE DOCTOR: They would have  
travelled for the rest of time,  
Tegan. Death was all they wanted.

(TEGAN LOOKS  
AT THEM. THEY  
ALL LIE PEACEFULLY)

Tegan, we've got to get the  
Brigadier back to 1977.

TEGAN: Before we go, Doctor ...  
(cont...)

(HE TURNS TO HER.  
SHE IS EMBARRASSED)

TEGAN: (cont) Thank you.  
You were prepared to give up  
everything for us.

THE DOCTOR: Oh, come on.

67. INT. TARDIS CONTROL ROOM.

(NYSSA COMES IN  
WITH BRIGADIER TWO)

BRIGADIER 2: Look, what's  
been going on ...

NYSSA: The Doctor will explain  
later.

(NYSSA HURRIES  
THE BRIGADIER TWO  
THROUGH THE INNER  
DOOR.

AS SOON AS SHE  
HAS GONE, TURLOUGH  
COMES FROM BEHIND  
THE CONSOLE WHERE  
HE HAS BEEN HIDING.

HE CREEPS OVER  
TO THE INNER DOOR.  
CHECKS THAT ALL IS  
CLEAR AND GOES  
THROUGH)

68. INT. (TARDIS) CORRIDOR.

(THE DOCTOR AND  
TEGAN CARRY  
BRIGADIER ONE  
TOWARDS THE  
TARDIS.

THEY STOP FOR  
BREATH.

A STRANGE SOUND  
STARTS TO ECHO  
THROUGH THE  
SHIP)

TEGAN: What's that noise?

THE DOCTOR: The ship is dying  
with the Mutants.

TEGAN: Has it come out of  
orbit?

THE DOCTOR: Yes.

Hurry!

(THEY RUSH WITH  
BRIGADIER ONE INTO  
THE TARDIS AND SHUT  
THE DOORS)

TELECINE 1:

Ext. Hilltop Day. 1977.

A younger DOCTOR  
RUNCIMAN is climbing  
towards the obelisk.

He stops and looks  
round.

RUNCIMAN: Brigadier?

Ext. Hilltop Day. 1977.

A short way from the  
obelisk.

The Tardis materialises.

THE DOCTOR and TEGAN  
carry BRIGADIER ONE  
from the Tardis and lie  
him on the ground.

They can see RUNCIMAN  
searching for the  
BRIGADIER.

THE DOCTOR and TEGAN  
hurry back to the  
Tardis.

RUNCIMAN: Brigadier!

(cont...)

RUNCIMAN is so positioned  
that he can see the  
BRIGADIER without looking  
at the Tardis.

RUNCIMAN spots the  
BRIGADIER and runs to  
him.

RUNCIMAN leans over  
BRIGADIER ONE as he  
starts to come to.

RUNCIMAN: (cont) Brigadier!  
What happened? I came as  
soon as I got your message.

He helps the BRIGADIER  
sit up.

RUNCIMAN: Brigadier, are you  
all right?

The BRIGADIER is  
able to see over  
RUNCIMAN'S SHOULDER.

BRIGADIER ONE'S misty  
P.O.V. of the Tardis  
as it dematerialises.

69. INT. TARDIS. CONTROL ROOM.

(TEGAN AND THE  
DOCTOR BY  
THE CONSOLE.

NYSSA AND BRIGADIER  
TWO COME IN FROM  
THE INNER DOOR.  
THE BRIGADIER IS  
VERY RELAXED  
AND CHEERFUL)

BRIGADIER 2: My word, Doctor,  
you've been making some changes  
in here.

THE DOCTOR: We all have to move  
with the times. How are you  
feeling?

BRIGADIER 2: Haven't felt so  
well for ...

(SMILES AS HE  
REALISES THE  
IMPLICATIONS)

For six years, Doctor.

(THE COLUMN STOPS)

THE DOCTOR: There we are. 1983.  
Back to school, Brigadier.

(THE DOCTOR, TEGAN,  
NYSSA AND BRIGADIER TWO  
ALL MOVE TOWARDS THE  
DOUBLE DOORS.

NOONE SEES THE  
INNER DOOR OPEN.  
TURLOUGH LOOKS  
OUT.

HE WATCHES THEM  
LEAVE. AS SOON AS  
THEY HAVE CLEARED  
HE COMES INTO THE  
CONTROL ROOM AND  
STARTS TO HUNT FOR  
A SWITCH ON THE  
CONSOLE)

TELECINE 2:

Ext. Hillside. Day. 1983.

By the Tardis.

THE DOCTOR comes out  
with BRIGADIER TWO,  
TEGAN and NYSSA.

THE DOCTOR: Goodbye.

BRIGADIER 2: Goodbye, Doctor.

Shakes his hand.

BRIGADIER 2: If ever you're  
passing ... (STOPS SHORT)  
Where's Turlough?

THE DOCTOR: Turlough? But  
he left in the capsule ...

NYSSA: He can't have done. If  
the Brigadier was still in the  
ship he never used the transmat  
system.

TEGAN has a head  
start to the Tardis.

TEGAN: Come on! The auto-destruct  
We've got to get back to the ship!

She goes in through  
the doors.

7C. INT. TARDIS. CONTROL ROOM.

(TURLOUGH IS PRESSING  
BUTTONS IN A  
RANDOM WAY, NOTHING  
SEEMS TO HAPPEN.

TEGAN COMES IN.  
SHE STOPS SHORT  
WHEN SHE SEES  
HIM. WATCHES  
HIM SUSPICIOUSLY  
FOR A MOMENT)

TEGAN: Turlough! (COMES FORWARD  
AGRESSIVELY) What do you think  
you're doing!

(THE DOCTOR COMES  
IN, FOLLOWED  
BY NYSSA)

THE DOCTOR: (WITH IMMENSE RELIEF)  
Turlough!

(HE GOES TO TURLOUGH.  
PUTS HIS HAND ON  
HIS SHOULDERS  
HE HAS BEEN THINKING  
ABOUT ADRIC.

HE REPEATS, QUIETLY)

Turlough!

(TEGAN GLARES AT  
TURLOUGH. HE LOOKS  
AT HER FOR A MOMENT,  
THEN TURNS BACK TO  
THE DOCTOR. HE  
SMILES INNOCENTLY)

TURLOUGH: Hello, Doctor!

FADE OUT
